1. RECOGNITION

- 1.1** This Agreement has been entered into as of the _____ day of _____ 2018, by and between The Brick Township Municipal Utilities Authority (hereinafter called the "Authority") and the Office/Technical (hereinafter called the "O/T Group") and the Professional Group (hereinafter called the "Professional Group"). This Agreement shall be in effect from January 1, 2017 through December 31, 2019.
- 1.2** If there is a question on anything in this Agreement at any time pertaining to clarifications and/or interpretation, a joint discussion will be held between the Executive Director and the O/T Group and the Professional Group. The results of said meeting shall be mutually agreed to by the Executive Director and *the Groups* and be put in writing. The *Group* representatives, duly elected by the employees, are empowered to act on behalf of the employees.
- 1.3** The Authority and its agents will not discriminate in any manner whatsoever against any member of the Groups because of said membership and activity.
- 1.4** Regular meetings of the Groups will be held outside of working hours.
- 1.5** **Management Rights**
The Authority retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the laws and Constitutions of the State of New Jersey and the United States of America, except as may be specifically modified by this Agreement. These rights will include, but not be limited to, full operating efficiency and productivity in the direction of the workforce. All of the terms and conditions of employment not specifically set forth herein or not specifically covered by existing statutes are hereby reserved by the Authority as its management prerogatives and rights. Input via the O/T Group and the Professional Group will be considered when applicable.
- 1.6** **No-Strike Clause**
During the period of January 1, 2017 through December 31, 2019 and notwithstanding any change in existing law, the employees shall not have the right to engage in any slowdown, work stoppage, strike, or similar type of concerted action. The sole method for resolving any disagreement of the employment relationship shall be covered by the procedure contained in this Agreement or by legal remedies available to the parties that do not constitute strikes or work stoppages.

2. NEGOTIATION PROCEDURES

- 2.1** On or about October 1 of the calendar year preceding the expiration of this Agreement, the Authority and O/T Group and the Professional Group agree to enter into collective negotiations on a successor Agreement in accordance with Chapter 303, Public Law 1975, as amended.

- 2.2 On or about October 1, the O/T Group and the Professional Group shall present its entire written proposal to the Authority. A negotiation session shall then be held.
- 2.3 If a successor Agreement is not finalized by December 31st of the final year of the agreement, the present Agreement will remain in effect until such time as a new Agreement is signed.

3. EMPLOYMENT STATUS

3.1 Hiring Practice - General

The Authority will hire on the basis of qualifications, without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, religious or political affiliation, gender identity or expression, disability, nationality or sex.

3.2 Probationary Employee

For appointments in Authority service, the working test or probationary period shall be 90 calendar days, not subject to extension. During that period, the probationary employee will receive no benefits as described in this collective bargaining agreement. Holiday pay, however, will be held by the Authority and be paid to the employee upon successful completion of the probationary period.

The Authority may terminate the service at any time of any such appointee if, in the opinion of Management, the appointee is incapable, unable, or unwilling to perform the duties of the position satisfactorily or is of such reputation, habits, or capabilities as not to merit continuance in the service. In each such case, the Authority shall give notice to the appointee whose service is discontinued.

During the probationary period the Supervisor shall evaluate the probationary employee three times: on or about day 30 of the probationary period, on or about day 60 of the probationary period and on or about day 90 of the probationary period but no later than the last working day prior to day 90 of the probationary period.

There shall be a probationary period of 90 calendar days for new employees and for employees who have changed classification.

For a change in department/division, or for promotion, the probationary period shall be for 90 calendar days and all current benefits will continue during this period.

3.3 Temporary Employee

A temporary employee is one who is:

- (a) hired to replace a regular employee who cannot work for a specified period of time.
- (b) hired for a specific job, for a specified period of time.

Temporary employees are hired any time of year BUT not to exceed 90 consecutive calendar days-or the contract shall prevail.

If the temporary job turns into a permanent one, then the job will be posted, the same as any other opening in the company. Anyone hired for a temporary position longer than 90 calendar days will be issued uniforms, if required for the position, and will receive all benefits.

Temporary personnel will have the right to bid on jobs posted; however, they will not be given credit for length of service or experience gained while on temporary status.

3.4 Seasonal Employee

A seasonal employee is classified as one who is hired to work during the summer months. Seasonal employees are employees who are employed during the months of May through September and whose employment is terminated by the end of the season and employed not more than 90 consecutive calendar days.

3.5 Permanent Employee

A permanent employee is one who has completed the probationary period. Upon successful completion of the probationary period, personal, sick and vacation time shall accumulate from the first day of employment, but any unearned time absent during the probationary period will not be payable.

3.6 Relatives

Relatives of an employee may be hired, but under no circumstances shall a relative be allowed to be supervised by a relative.

3.7 Resignation

Notice of resignation is to be submitted to the Department Director in writing, indicating the exact date of resignation. A minimum notice of two weeks is required for the resignation to be in good standing, unless a special request is made by the employee to leave sooner, which must be approved by the Executive Director. The employee will remain on duty for the period of notice. Failure to give adequate notice will result in a resignation that is not in good standing.

If any employee has given two weeks notice and is advised that he may leave before the notice period expires, he will receive pay for the remaining portion of the notice period. All Authority issued property and identification issued to the employee must be turned in prior to receipt of the final paycheck.

3.8 Posting of Jobs

All openings for permanent positions will be posted on bulletin boards, and a copy of the posting will be supplied to the Group Representatives. All employees may bid on such job openings, and applications submitted in writing will be reviewed jointly by the Supervisor, Department Head, and Executive Director.

The following conditions apply to posting of jobs:

- (a) Jobs are to be posted for seven (7) working days.
- (b) Applications are to be submitted in writing to the Department Head.
- (c) All internal applicants will be notified in writing as to status of the selection within five working days after approval by the Board of Commissioners.
- (d) Jobs will be filled on a temporary basis if a grievance as to selection is submitted in writing.
- (e) If more than one employee qualifies for the position, seniority shall prevail, provided all qualifications are equal.
- (f) The Department Head shall notify the appropriate group representative of selection prior to filling the position.

Employees will not be permitted to downgrade themselves, unless there are extenuating circumstances approved by the Executive Director which are in the best interests of the Authority and the employee concerned.

If the Executive Director finds it necessary to fill any position on a temporary basis for longer than a two-week period, the appropriate group representatives will be notified prior to the appointment being made.

3.9 Job Classification

The Authority reserves the right to review the present job classification of each employee and, should the Authority deem it necessary, may promote or demote with a commensurate adjustment to the employees' salary. Said promotion or demotion will take place only after a joint meeting with the appropriate group representative and the Executive Director.

Job descriptions for all positions covered by this Agreement will be made part of the Agreement document.

3.10 Employee Evaluations

Every employee will be evaluated a minimum of once a year by the immediate Supervisor, on a schedule and procedure as formulated by the Executive Director.

The performance and disciplinary appraisal will be conducted a minimum of once a year in narrative form and shall become part of each employee's personnel file.

Signing of the evaluation form by the employee after discussing it with the Supervisor indicates only acknowledgment that the evaluation was received, not concurrence with what it contains.

3.11 Layoff and Recall

In the event of layoff or transfer, the last person hired in the position in question shall be the first to be laid off or transferred. Similarly, the last person laid off or transferred shall be the first to be recalled, in accordance with seniority.

For the term of this contract, the hourly rate of pay shall be constituted as follows: The minimum rate of pay for a position shall normally be paid upon initial appointment to that position. Higher rates of pay can be established for employees after the probationary period of 90 calendar days or if the employee displays exceptional job performance and/or significantly increased responsibilities, as determined through performance review by Management.

4.2 Paychecks

Paychecks will be issued weekly. If the normal pay day falls on a holiday, paychecks will be issued on the closest possible prior workday.

However, all shift changes will be considered with the efficient and orderly operation of the authority in mind. These shift changes can be brought forth by both labor and management and the Authority reserves the right to create and staff shifts that will provide for the most efficient use of manpower.

5.3 Tardiness

Penalties for tardiness *shall* be incurred as follows:

1-6 minutes after start of shift – no deduction from pay.

(without prior notification) More than 6 minutes after start of shift: exact time involved in 6 minute increments. (See also Section 6, Discharge and Discipline)

Every employee shall have the right to review his/her own personnel file in the presence of his/her Supervisor or the Human Resource Supervisor. A request to do this must be done through the employee's Supervisor, who will make the necessary arrangements for the review after working hours.

If an employee wishes to have an infraction letter removed from the file, the employee may make such a request in writing to the Executive Director, with a copy submitted to the Department Head. Consideration of the request will be given by a review board consisting of the Executive Director and the *appropriate Group* representative. Upon consent of the review board, the infraction letter under consideration will be removed.

7. GRIEVANCE PROCEDURES

Any employee or group of employees may present a grievance with freedom from coercion, reprisal, or discrimination. The grievance procedure is as follows:

- b) If the grievance is not resolved within *ten (10)* working days, *the appropriate Group representative* then may bring it to the attention of the Executive Director.
- c) If the grievance is not responded to by the Executive Director within ten working days after submittal, the *appropriate group representative shall* submit it to the Authority Personnel Committee.

Compensation for a holiday not worked shall be computed on the basis of the employee's standard shift hours.

Decision shall be promulgated according to the phone method, as well as on the radio stations authorized.

Critical personnel who are called in and work will receive overtime pay for time worked and comp day is eliminated. Non-critical personnel who are working at the time that an emergency closure is declared, will be paid a standard rate of pay for the actual hours of excused time for which the Authority offices are officially closed. Non-Critical Personnel will be paid for their regular work day should the Executive Director declare the Authority offices closed prior to the start of a work shift. NOTE: Should this occur when an Employee has previously scheduled benefit time (i.e. vacation or personal time) Emergency Closing Absence time will not be applicable.

All other vacation requests must be submitted five days in advance. Such a request must be approved by the Supervisor, Department Head, and Executive Director.

Vacation requests will be scheduled with full consideration for the effective operation of the department, and employees with the greatest length of service will receive preference in choice of vacation period insofar as effective staffing requirements are met. However, once a vacation request has been approved, it cannot be displaced by a higher seniority person.
